## **SECTION II – PROJECT SPECIFICATIONS AND SCOPE OF WORK.**

### **PART 1 – INTRODUCTION/BACKGROUND**

The King County Mental Health Chemical Abuse and Dependency Services Division (MHCADSD) and the Pierce County Human Services Chemical Dependency Division (PHSCDD) issue this Request for Proposal (RFP) through the King County Department of Community and Human Services, hereinafter referred to as the “County”.

The Washington Department of Social and Health Services (DSHS), Division of Alcohol and Substance Abuse (DASA) receives special appropriations to provide chemical dependency treatment services with integrated mental health treatment and as necessary opiate substitute treatment maintenance dosing to offenders. DSHS/DASA contracts a portion of these funds to the counties. One part of these funds is the Criminal Justice Treatment Account (CJTA) Innovative Project funds.

King County and Pierce County will collaborate on a regional project for the use of the funds specified in this RFP. Each county will individually contract with a single organization to implement an inpatient chemical dependency co-occurring residential treatment program to be sited in King or Pierce County.

The following principles undergird the service model, and must be reflected in the proposal response. These principles are based on the *Principles of Drug Addiction Treatment – A Research Based Guide*, National Institute on Drug Abuse (see <http://www.nida.nih.gov/PODAT/PODATindex.html>).

#### **A. No single treatment is appropriate for all individuals.**

Matching treatment, interventions, and services to each individual’s particular problems and needs is critical to his or her ultimate success in returning to productive functioning in the family, workplace, and society. Individual client needs should be addressed by providing the most clinically appropriate level of care.

#### **B. Treating criminal justice-involved drug abusers and addicts.**

Research has shown that combining criminal justice sanctions with drug treatment can be effective in decreasing drug use and related crime. Individuals under legal coercion tend to stay in treatment for a longer period of time and do as well as or better than others not under legal pressure. Often, drug abusers come into contact with the criminal justice system earlier than other health or social systems, and intervention by the criminal justice system to engage the individual in treatment may help interrupt and shorten a career of drug use. Treatment for the criminal justice-involved drug abuser or drug addict may be delivered prior to, during, after, or in lieu of incarceration.

#### **C. Integration of mental health treatment as part individualized treatment:**

Addicted or drug-abusing individuals with co-occurring mental disorders should have both disorders assessed and treated in an integrated way. Because addictive disorders and mental disorders often occur in the same individual, clients presenting for either condition should be assessed and treated for the co-occurrence of the other type of disorder.

#### **D. Use of medications like methadone as part of treatment.**

As used in maintenance treatment, methadone and LAAM are not heroin substitutes. They are safe and effective medications for opiate addiction that are administered by mouth in regular, fixed doses. Their pharmacological effects are markedly different from those of heroin. Individual factors related to engagement and retention include motivation to change drug-using behavior, degree of support from family and friends, and whether there is pressure to stay in treatment from the criminal justice system, child protection services, employers, or the family. Opiate substitute maintenance treatment as a part of an individually crafted treatment program.

#### **E. Treatment attends to the multiple needs of the individual, not just his or her drug use.**

To be effective, treatment must address the individual's drug use and any associated medical, psychological, social, vocational, housing, and legal problems.

**F. An individual's treatment and services plan is assessed continually and modified as necessary to ensure that the plan meets the person's changing needs.**

A client may require varying combinations of services and treatment components during the course of treatment and recovery. In addition to counseling or psychotherapy, a client at times may require medication, other medical services, family therapy, instruction, vocational rehabilitation, and social and legal services. It is critical that the treatment approach be appropriate to the individual's age, gender, ethnicity, and culture.

**G. Remaining in treatment for an adequate period of time is critical for treatment effectiveness.**

The appropriate duration for an individual depends on his or her problems and needs. The American Society of Addiction Medicine (ASAM) Patient Placement and Continuing Stay Criteria should be integrated and utilized as a part of daily treatment practices. Special attention should be placed on client retention and treatment completion.

**H. Recovery from chemical dependency can be a long-term process and frequently requires multiple episodes of treatment.**

As with other chronic illnesses, relapse to substance use can occur during or after successful treatment episodes. Addicted clients may require prolonged treatment and multiple episodes of treatment to achieve long-term abstinence and fully restored functioning.

**I. Treatment should provide assessment for risk of HIV/AIDS, hepatitis, tuberculosis, and other infectious diseases.**

Counseling to help clients change behaviors that place themselves or others at risk of infection are essential.

**J. Evidence-based and Research-based Practices.**

Use of evidence-based and research-based clinical practices for assessments is required at the start of the project.

## **PART 2 - DEFINITIONS**

**A. A Co-occurring Disorder Client:**

A Co-occurring Disorder Client is one who is diagnosed as chemically dependent and who also has symptoms that require mental health treatment and/or assessment. Such clients may exhibit "atypical" or exaggerated behaviors and responses when toxic and/or during observable periods of abstinence.

**B. Opiate Substitute Treatment Maintenance:**

Opiate Substitute Treatment Maintenance is maintaining the client on his/her prescribed opiate substitute treatment medication including methadone, buprenorphine or other opiate substitute treatment medications. Continuation of prescribed opiate agonist medication shall be done in accordance with treatment protocols established between the successful bidder and the licensed opiate substitute treatment providers in King County and Pierce County

**C. Residential Treatment Services:**

Residential Treatment Services are services to provide chemical dependency treatment for participants, including room and board, in a twenty-four-hour-a-day supervised facility in accordance with Washington Administrative Code (WAC) 388-805-500. For the purposes of this RFP, the only residential level of care that will be covered is co-occurring disorder residential treatment.

**D. Co-occurring Disorder Residential Treatment Services:**

Co-occurring Disorder Residential Treatment Services are a concentrated program of chemical dependency treatment including room and board in a twenty-four-hour-a-day supervised facility where mental health and/or medical issues are present and require additional psychiatric, mental health and medical interventions to stabilize the client for chemical dependency treatment.

### **PART 3 – INTENT**

The purpose of this Request for Proposal is to identify and qualify a single provider that will be responsible for the delivery of co-occurring disorder residential treatment services to criminal justice involved clients, according to the principles and elements of effectiveness identified in Part 1 of this proposal. The period covered by this RFP is December 1, 2005 through June 30, 2007.

### **PART 4 – FUNDING**

**Direct Service Funds:** A total of approximately \$ 1,000,000 is available to contract with the Provider for the provision of chemical dependency co-occurring disorders residential treatment services through June 30, 2007. It is expected that the above level of funding will be available to King County and Pierce County for this two-year period. Approximately \$650,000 will be available from King County and approximately \$350,000 will be available from Pierce County.

**Participation Match Funds:** “Participation Match”, pursuant to RCW 70-96A.047, is the Contractor’s share of “Participation Match” for contracts, and shall be no less than ten percent of the total contract amount, and will be no more than 50 percent of the total contract amount. The County will determine match amount needed based on the match required by the state for each program or funding source.

The Provider may include any local public or private resources provided to the agency. These resources are identified as cash or in-kind revenues. Expenditures such as facility costs, or treatment services provided for clients eligible for public funding treatment but not compensated by state or federal funds may not be counted. Instead, the provider should document and count the local revenues that provide for those services, or the facilities where the services are delivered, or the maintenance and utilities necessary for the services to be provided.

The Provider shall provide documentation of an equal amount of Participation Match Funds meeting the following requirements:

- Client Fees
- Donations Monetary or Material
- Other Local Funding – United Way – Grants
- Volunteer Contributions @ \$20 per hour rate – these would include Advisory Boards and other services performed by volunteers including interns, students, trainees who are not paid using state or federal funds.

The Provider may propose one-time start-up costs not to exceed \$30,000 to be used within the first two months of the contract. A detailed budget of proposed start-up expenses shall be included. Start-up costs are limited to:

- Recruitment and hiring expenses
- Training

Clinical services will be reimbursed on a bed day fee-for-service basis at a rate consistent with the Alcohol and Substance Abuse Alcohol and Drug Residential Treatment Services Reimbursement Schedule.

### SECTION III - NONDISCRIMINATION AND AFFIRMATIVE ACTION

#### PART 1: NON-DISCRIMINATION

- A. King County Code Chapters 12.16, 12.17 and 12.18 are incorporated by reference as if fully set forth herein and such requirements apply to this Contract; provided however, that no specific levels of utilization of minorities and women in the workforce of the Consultant shall be required, and the Consultant is not required to grant any preferential treatment on the basis of race, sex, color, ethnicity or national origin in its employment practices; and provided further that, notwithstanding the foregoing, any affirmative action requirements set forth in any federal regulations, statutes or rules included or referenced in the contract documents shall continue to apply.
- B. During the performance of this Contract, neither the Consultant nor any party subcontracting under the authority of this Contract shall discriminate nor tolerate harassment on the basis of race, color, sex, religion, nationality, creed, marital status, sexual orientation, age, or the presence of any sensory, mental, or physical disability in the employment or application for employment or in the administration or delivery of services or any other benefits under this Contract.
- C. The Consultant shall, prior to the commencement of the work and during the term of this Contract, furnish the County, upon request and on such forms as may be provided by the County, a report of the affirmative action taken by the Consultant in implementing the terms of this section. The Consultant will permit access by the County to the Consultant's records of employment, employment advertisements, application forms, other pertinent data and records related to this Contract for the purpose of monitoring and investigation to determine compliance with these requirements.
- D. The Consultant shall implement and carry out the obligations contained in its Affidavit and Certificate of Compliance regarding equal employment opportunity. Failure to implement and carry out such obligations in good faith may be considered by the County as a material breach of this Contract and grounds for withholding payment and/or termination of the Contract and dismissal of the Consultant.
- E. The Consultant shall comply fully with all applicable federal, state and local laws, ordinances, executive orders and regulations that prohibit such discrimination. These laws include, but are not limited to, RCW Chapter 49.60 and Titles VI and VII of the Civil Rights Act of 1964.
- F. During the performance of this Contract, neither the Consultant nor any party subcontracting under the authority of this Contract shall engage in unfair employment practices. It is an unfair employment practice for any:
  - 1. Employer or labor organization to discriminate against any person with respect to referral, hiring, tenure, promotion, terms, conditions, wages or other privileges of employment;
  - 2. Employment agency or labor organization to discriminate against any person with respect to membership rights and privileges, admission to or participation in any guidance program, apprenticeship training program, or other occupational training program;
  - 3. Employer, employment agency, or labor organization to print, circulate, or cause to be printed, published or circulated, any statement, advertisement, or publication relating to employment or membership, or to use any form of application thereof, which indicates any discrimination unless based upon a bona fide occupation qualification;
  - 4. Employment agency to discriminate against any person with respect to any reference for employment or assignment to a particular job classification;
  - 5. Employer, employment agency or a labor organization to retaliate against any person because this person has opposed any practice forbidden by KCC Chapter 12.18 or because that person has made a charge, testified or assisted in any manner in any investigation, proceeding or hearing initiated under the provisions of KCC Chapter 12.18;

6. Publisher, firm, corporation, organization or association printing, publishing or circulating any newspaper, magazine or other written publication to print or cause to be printed or circulated any advertisement with knowledge that the same is in violation of KCC Chapter 12.18.030C., or to segregate and separately designate advertisements as applying only to men and women unless such discrimination is reasonably necessary to the normal operation of the particular business, enterprise or employment, unless based upon a bona fide occupational qualification; and/or
7. Employer to prohibit any person from speaking in a language other than English in the workplace unless:
  - a. The employer can show that requiring that employees speak English at certain times is justified by business necessity, and
  - b. The employer informs employees of the requirement and the consequences of violating the rule.

## **PART 2: REQUIRED SUBMITTALS**

- A. All Consultants entering into a contract or agreement with King County valued at \$25,000 or more shall, after the proposer receives written notice of selection, submit the following:

  2. An Affidavit of Compliance demonstrating the Consultant's commitment to comply with the provisions of KCC Chapter 12.16.
  3. A Sworn Statement of Compliance with 12.16 from any labor union or employee referral agency that refers workers or employees or provides or supervises training programs from whom the Consultant obtains employees.

## **PART 3: NONDISCRIMINATION IN SUBCONTRACTING PRACTICES**

- A. Compliance with Initiative 200. In accordance with the provisions of Washington Initiative 200, no County Minority and Women Business (M/WBE) utilization requirements shall apply to this Contract. No minimum level of M/WBE sub-consultant participation or purchase from M/WBE certified vendors is required and no preference will be given by the County to a bidder or Proposer for their M/WBE utilization or M/WBE status. Provided, however, that any affirmative action requirements set forth in any federal regulations or statutes included or referenced in the Contract documents will continue to apply.
- B. Non-Discrimination. During the term of this Contract, the Consultant shall not create barriers to open and fair opportunities to participate in County contracts or to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services. In considering offers from and doing business with sub-consultants and suppliers, the Consultant shall not discriminate against any person on the basis of race, color, creed, religion, sex, age, nationality, marital status, sexual orientation or the presence of any mental or physical disability in an otherwise qualified disabled person.

During the performance of work performed under any Agreement resulting from this RFP, neither the consultant nor any party subcontracting under the authority of the agreement shall discriminate or engage in unfair contracting practices prohibited by K.C.C. 12.17.

- C. Record-Keeping Requirements. The Consultant shall maintain, for at least 6 years after completion of all work under this contract, records and information necessary to document its level of utilization of M/WBEs and other businesses as sub-consultants and suppliers in this contract and in its overall public and private business activities for the same period. The Consultant shall also maintain, for at least 6 years after completion of all work under this contract, all written quotes, bids, estimates or proposals submitted to the Consultant by all businesses seeking to participate on this Contract. Consultant shall make such

documents available to the County for inspection and copying upon request. If this contract involves federal funds, Consultant shall comply with all record keeping requirements set forth in any federal rules, regulations or statutes included or referenced in the contract documents.

D. Open Competitive Opportunities. King County encourages the utilization of minority owned businesses ("MBEs") and women-owned businesses ("WBEs")(collectively, "M/WBEs") in County contracts. The County encourages the following practices to promote open competitive opportunities for small businesses including M/WBEs:

1. Attending a pre-bid or pre-solicitation conference, if scheduled by the County, to provide project information and to inform M/WBEs and other firms of contracting and subcontracting opportunities.
2. Placing all qualified small businesses attempting to do business in King County, including M/WBEs, on solicitation lists, and providing written notice of subcontracting opportunities to M/WBEs and all other small businesses capable of performing the work, including without limitation all businesses on any list provided by the County, in sufficient time to allow such businesses to respond to the written solicitations.
3. Breaking down total requirements into smaller tasks or quantities, where economically feasible, in order to permit maximum participation by small businesses including M/WBEs.
4. Establishing delivery schedules, where the requirements of this contract permit, that encourage participation by small businesses, including M/WBEs.
5. Providing small businesses including M/WBEs that express interest with adequate and timely information about plans, specifications, and requirements of the contract.
6. Utilizing the services of available community organizations, Consultant groups, local assistance offices, the County, and other organizations that provide assistance in the recruitment and placement of small businesses including M/WBEs.

Further, the County encourages small businesses, including M/WBEs, to participate in the following practices to promote open competitive opportunities:

1. Attending a pre-bid or pre-solicitation conference, if scheduled by the County, to receive project information and to inform prime bidders/proposers of contracting and subcontracting capabilities.
2. Requesting placement on solicitation lists, and receipt of written notice of subcontracting opportunities.
3. Utilizing the services of available community organizations, Consultant groups, local assistance offices, the County, and other organizations that provide assistance in the recruitment and placement of small businesses and M/WBEs.

E. Sanctions for Violations. Any violation of the mandatory requirements of the provisions of this Section shall be a material breach of contract for which the Consultant may be subject to damages and sanctions provided for by contract and by applicable law.

#### **PART 4: REQUIREMENTS DURING WORK**

##### **A. Site Visits**

King County may at any time visit the site of the work and the Consultant's office to review records related to actual utilization of and payments to subcontracting firms. The Consultant shall maintain sufficient records necessary to enable King County to review utilization of subcontracting firms. The Consultant shall provide every assistance requested by King County during such visits.

#### **PART 5: COMPLIANCE WITH SECTION 504 OF THE REHABILITATION ACT OF 1973, AS AMENDED AND THE AMERICANS WITH DISABILITIES ACT OF 1990**

The Consultant shall complete a Disability Self-Evaluation Questionnaire for all programs and services offered by the Consultant (including any services not subject to this Contract) and shall evaluate its services, programs and employment practices for compliance with Section 504 of the Rehabilitation Act of 1973, as amended ("504"), and the Americans with Disabilities Act of 1990 ("ADA"). The Consultant shall complete a 504/ADA Disability Assurance of Compliance prior to execution of a contract.

## **SECTION IV - GENERAL CONTRACT REQUIREMENTS**

### **PART 1: TERMINATION CLAUSES**

- A. This Contract may be terminated by the County without cause, in whole or in part, upon providing the Consultant ten (10) calendar days' advance written notice of the termination.

If the Contract is terminated pursuant to this Section IV, paragraph A: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Consultant shall be released from any obligation to provide further services pursuant to the Contract.

- B. The County may terminate this Contract, in whole or in part, upon five (5) calendar days' advance written notice in the event: (1) the Consultant materially breaches any duty, obligation, or services required pursuant to this Contract, or (2) the duties, obligations, or services required herein become impossible, illegal, or not feasible.

If the Contract is terminated by the County pursuant to this Subsection IV(B) (1), the Consultant shall be liable for damages, including any additional costs of procurement of similar services from another source.

If the termination results from acts or omissions of the Consultant, including but not limited to misappropriation, nonperformance of required services or fiscal mismanagement, the Consultant shall return to the County immediately any funds, misappropriated or unexpended, which have been paid to the Consultant by the County.

- C. If expected or actual funding is withdrawn, reduced or limited in any way prior to the termination date set forth above in Section II or in any amendment hereto, the County may, upon written notice to the Consultant, immediately terminate this Contract in whole or in part.

If the Contract is terminated pursuant to this Section IV, paragraph C: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Consultant shall be released from any obligation to provide further services pursuant to the Contract.

Funding under this Contract beyond the current appropriation year is conditional upon appropriation by the County Council of sufficient funds to support the activities described in this Contract. Should such an appropriation not be approved, this contract will terminate at the close of the current appropriation year.

- D. Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or law that either party may have in the event that the obligations, terms and conditions set forth in this Contract are breached by the other party.

### **PART 2: INDEMNIFICATION AND HOLD HARMLESS**

- A. In providing services under this Contract, the Consultant is an independent contractor, and neither the Consultant nor its officers, agents or employees are an employee of the County for any purpose. The Consultant shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits or taxes to, or on behalf of, the Consultant, its employees or others by reason of this Contract. The Consultant shall protect, indemnify and save harmless the County, its officers, agents and employees from and against any and all claims, costs and/or losses whatsoever occurring or resulting from 1) the Consultant's failure to pay any such compensation, wages, benefits or taxes; and 2) the supplying to the Consultant of work, services, materials and/or supplies by Consultant employees or other suppliers in connection with the performance of this Contract.

- B. The Consultant further agrees that it is financially responsible for and shall repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional acts or failure for any

reason to comply with the terms of this Contract by the Consultant, its officers, employees, agents and/or representatives. This duty to repay the County shall not be diminished or extinguished by the prior termination of the Contract pursuant to the Duration of Contract, or the Termination section.

- C. The Consultant shall protect, defend, indemnify, and save harmless the County, [and the State of Washington (when any funds for this Contract are provided by the State of Washington)] their officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of or in any way resulting from the negligent acts or omissions of the Consultant, its officers, employees, and/or agents. The Consultant agrees that its obligations under this subparagraph extend to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, the Consultant by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. In the event that County incurs attorney fees and/or costs in the defense of claims, for damages within the scope of this section, such fees and costs shall be recoverable from the Consultant. In addition King County shall be entitled to recover from the Consultant fees, and costs incurred to enforce the provisions of this section.

Claims shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in unfair trade practice.

### **PART 4: CORRECTIVE ACTION**

If the County determines that a breach of contract has occurred, that is the Consultant has failed to comply with any terms or conditions of this Contract or the Consultant has failed to provide in any manner the work or services agreed to herein, and if the County deems said breach to warrant corrective action, the following sequential procedure will apply:

- A. The County will notify the Consultant in writing of the nature of the breach;
- B. The Consultant shall respond in writing within three (3) working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies. The corrective action plan shall specify the proposed completion date for bringing the Contract into compliance, which date shall not be more than ten (10) days from the date of the Consultant's response; unless the County, at its sole discretion, specifies in writing an extension in the number of days to complete the corrective actions;

The Consultant shall make such documents available to the County for inspection, copying, and auditing upon request.
